DESCRIPTION

Arena Golf Villas is an exclusive new-build residential development in La Finca Golf, Algorfa, where panoramic views and a privileged location create a unique lifestyle.

This singular complex is made up of 8 detached and semi-detached villas with private pools, laid out as homes of 3 to 6 bedrooms, 3 bathrooms, a spacious solarium and an internal lift, all set within the golf course and with impressive open views over the surrounding area.

Each home has been designed to make the most of natural light, with large windows that connect the interior spaces with the golf landscape. High-quality materials, together with excellent acoustic insulation and an air-conditioning system, guarantee comfort and wellbeing all year round.

Situated in one of the most exclusive areas of the southern Costa Blanca, this development is just a few minutes from the best beaches in the area and from towns such as Torrevieja. It also offers easy access to shopping centres, schools, public and private hospitals, transport connections and Alicante-Elche Miguel Hernández Airport, located just 30 minutes away.
