Energy Efficiency Class	A		

DESCRIPTION

Duplex Vision is a new build two-storey home with a linear, contemporary design both inside and out. This unit is delivered with 2 bedrooms and 2 bathrooms on a plot of 110 m². The model allows layouts of 1, 2 or up to 3 bedrooms, as well as open-plan areas.

The large front window provides natural light for practically the whole day and makes the living room the heart of the home. The property is laid out over two levels, duplex style, connected by a staircase with wooden treads and simple, linear finishes.

Outside there is a 25 m² front plot with the option of parking and a 6 m² rear patio. The development has a communal swimming pool.

It is located in Monte y Mar, in Gran Alacant, five minutes from the best-known beaches in the area. The connection to Alicante and the rest of the Costa Blanca is direct via the N-332 road and the A-7 motorway, and the airport is five minutes away by car.

Write to us to arrange a viewing or to answer any questions you may have about the property.
