DESCRIPTION

Villas Linda is a new build property in Gran Alacant combining modern design, comfort and top-quality finishes. Conceived as a flexible, bright home, it offers spaces designed to make the most of natural light.

The property is laid out over three floors and offers the possibility of choosing between different configurations on the ground floor and the upper floor, adapting to each person's needs. As well as a spacious, bright interior, Linda incorporates an outdoor area designed to be enjoyed all year round.

All the properties include a terrace, a front porch and a private swimming pool (optional), creating perfect spaces for spending time outdoors, making the most of the Mediterranean light or relaxing in a quiet, exclusive setting.

In Gran Alacant there is much more than paradise beaches. You will live in a quiet, natural residential setting with all the services you could need: international schools, supermarkets, hospitals, leisure facilities, restaurants, etc. It is also perfectly connected to the airport and the capital city.
