DESCRIPTION

Marino is a new concept in modern housing, designed with top-quality materials to maximize natural light. It is distributed over three floors with two bedrooms, two bathrooms, a semi-independent kitchen, a finished basement, an interior patio, a balcony-terrace off the master bedroom, and a spacious solarium. The homes, located in blocks of semi-detached bungalows, have independent access, private surface parking, and communal areas with a swimming pool and gardens for enjoying a peaceful setting.

FEATURES & AMENITIES

Air conditioning | Fitted wardrobes | Garden | Swimming pool | Terrace | New homes
